Currently in Fort Lauderdale

Small visible tattoo

AEC2, STCW2010, ENG1

ABOUT

Recent AEC2 and new to yachting, but mature and anxious to learn. With sailing experience, engineering knowledge, and an extensive hospitality and software development background, I'm equipped with the right tools to succeed. My focus is on learning, excelling, and contributing to a positive team atmosphere through good humor and support.

MARINE EXPERIENCE

Crew / Skipper - Expectations Sailboat 11m (36ft) 20 days (15 Oct - 2 Nov 2023)

- 642 miles sailed down the east US coast from Boston to Virginia
- Ability to navigate a boat unsupervised, use of navigation tech and safety equipment
- Deck tasks: docking, mooring, anchoring, lines and fenders
- Engineering tasks: sewage pump-out, fueling, watering, and engine inspections

LAND EXPERIENCE

Receptionist, Bartender, Waiter & Activity Guide

2 years (2021 - Oct 2023)

- Bambuda Lodge, Panama: Contributed to the welcoming atmosphere of a renowned eco-lodge, serving guests with professionalism and genuine hospitality in this breathtaking natural setting
- Talla Restaurant, Spain: Delivered top-notch and personable service in this high-end, recognized establishment

Freelance Software Engineer

2 years (2021 - Present)

- Proficiently delivering high-quality web development solutions for diverse clients and companies, encompassing a wide range of projects, utilizing technologies such as HTML, CSS, TypeScript, React, SQL, etc. And proving problem-solving, attention to detail, adaptability and good communication.

HOBBIES / INTERESTS

- Technology & Science
- Sports (Running, Weights, Swimming, Tennis)
- Nutrition & Health (been clean & sober for over 2 years)
- Backpacking & Community
- Cooking & Gastronomy
- Music & Video Games
- Coffee
