ABOUT

Green yachtie with sailing experience and passion for the sea, engineering knowledge, and a professional background in hospitality and software development, driven to step into the industry. My focus is on learning, excelling, and contributing to a positive team atmosphere through good humor and support.

MARINE EXPERIENCE

Crew / Skipper - Expectations Sailboat 11m (36ft)

1 month (Oct - Nov 2023)

- 642 miles sailed down the east US coast from Boston to Virginia
- Navigate the boat unsupervised, use of navigation tech and safety equipment
- Engineering: sewage pump-out, fueling, watering, and engine inspections
- Deck: docking, mooring, anchoring, lines and fenders
